

REMARKS

Claim 1 has been amended to include the subject matter of claim 21 which as the Examiner indicated would be allowable if placed in such form. Claims 2, 4 and 6 remain in the application as previously presented and depend from claim 1 and thus are entitled to allowance.

Claim 7 has been amended to depend from claim 1 and thus is allowable along with claim 8 depended therefrom.

Claim 9 has been amended to depend from claim 1 and is entitled to allowance along with claim 10 depended therefrom.

Claims 11-17 remain in the application and were indicated as being allowable.

Claim 21 has been canceled since the subject matter thereof has been placed in claim 1.

In view of the above amendments to the claims in accordance with those indicated allowable by the Examiner, and that independent claim 1, together with claims 2, 4, 6, 7, 8, 9 and 10 depended therefrom are allowable together with previously allowed claims 11-17.

It is believed that all the requirements of the Examiner has been now attended to and that the application is in condition for allowance, but should any objections remain, it is requested that the Examiner phone the undersigned with the expectation that the same can be resolved to place the application in condition for allowance.

Respectfully submitted this 16th day of July, 2009.
